

At a reconvened meeting of the Pulaski County Board of Supervisors held on Monday, April 15, 1991 at 7:00 p.m. in the Board of Supervisors meeting room of the County Administration Building, 143 Third Street, N. W. in the Town of Pulaski, the following members were present: Mason A. Vaughan, Sr., Chairman; Jerry D. White, Vice-Chairman; Bruce L. Fariss; Joseph Sheffey; and V. E. Vaughn.

Also present were the County Administrator, Director of Management Services, and the County Attorney.

1. Redistricting Public Hearing

The Chairman opened a public hearing on the redistricting of Board of Supervisors election districts. The County Administrator and County Attorney explained the legal and administrative requirements for the redistricting action. It was noted that the Pulaski County Planning Commission had conducted a public hearing to receive public comments on the redistricting process prior to the preparation of a redistricting plan. The County Administrator explained the redistricting plan as developed by county staff. The County Attorney emphasized that the president of the Pulaski County NAACP had been personally contacted regarding the plan preparation and supported the proposed plan. It was also noted that during the redistricting it would be appropriate to note the relocation of the Draper Polling Place from the current Draper Fire Station to the new Draper Fire Station which would be occupied by the November, 1991 election.

Supervisor Fariss suggested realigning the Hiwassee/Snowville precinct boundary to allow citizens of the Max Creek community to be served by the Hiwassee precinct and polling place.

The supervisors inquired about alternate plans prepared by the county staff, which plans provide for following major road boundaries in the Dublin area for election district boundaries.

No public comment was made and the public hearing was closed.

It was moved by Dr. Fariss, seconded by Mr. Vaughn and carried, that the following redistricting ordinance be adopted to be effective June 1, 1991:
