At Risk Youth and Families Community Policy and Management Team

The Board approved the following resolution regarding the appointment of a community policy and management team:

#### RESOLUTION

Recognizing, authorizing and appointing the Community Policy and Management Team under the Comprehensive Service Act For At-Risk Youth and Families

Whereas, the 1992 General Assembly enacted legislation mandating the formation of community boards to address a system of services for funding child-centered, family focused and community-based services in each jurisdiction of the

Commonwealth, and

Whereas, the Board appointed by each Board or Council, named in the Act as the Community Policy and Management Team, may be appointed for a single jurisdiction or in combination with other counties and cities, and

Whereas, an analysis of the effect of appointment of four different Boards in the counties of Pulaski, Giles, Floyd, and the City of Radford suggests organizations which would be burdensome, expensive, and highly duplicative in effort and effect, and

Whereas, the counties of Pulaski, Giles, Floyd, and the City of Radford have expressed interest in providing compliance with provisions of the Act through a cooperative effort or regional Team, and

Whereas, the appointment of one Board, as the Community Policy and Management Team, to serve the Counties of Pulaski, Giles, Floyd and the City of Radford is recommended.

Be it therefore resolved, that the Pulaski County Board of Supervisors does approve the organization of a regional Community Policy and Management Team consisting of representatives of the Counties of Pulaski, Giles, Floyd and the City of Radford whose members shall be appointed according to membership as set fourth in the legislation.

Be it further resolved, that the following individuals are appointed to the Community Policy and Management Team: the Executive Director of the New River Community Services Board; the Director of the 27th District Court Services Unit; the Director of the New River Health District; the Superintendent of Pulaski County Schools; the Director of the Department of Social Services; the Director of the Office on Youth; and, a parent representative, to be determined at the November 1992 Board of Supervisors meeting.

#### Local Disabilities Services Board

The Board was advised that the use of the American Disabilities Act Compliance Committee previously appointed will not satisfy entirely the requirements of the state for a local disabilities services board. A regional board in the New River Valley Planning District localities is presently being studied and a report should be made available to the Board at the November supervisors regular meeting.

#### Office on Youth Advisory Board

The Board appointed Ms. Cheryl Likens to fill the vacancy created by the resignation of Mr. Monroe Gray.
