(To reconvene Monday, March 29, at 7:00 p.m. at County Administration Building)

March 15, 1993

TO: Board of Supervisors
FROM: Joseph N. Morgan, County Administrator
SUBJECT: Highway Matters

- a. Follow-up from February 22 supervisors meeting:
1. Truck Traffic Signage at Intersection of Rt. 693, Julia Simpkins & Mines Roads, and Rt. 672, Lowman's Ferry Road - The resident engineer may have a report. Hoover Color Vice-President has suggested a simple directional sign to Hiwassee might solve the problem.
- b. Rural Addition Priorities Option & Cost Estimates - Both the resident engineer and county staff are requested to provide an update on pending projects, as well as those needing viewing or additional information. That update should be presented on March 22.
- c. Response on Speed Limit Signs for Rt. 787, Peak Creek - Staff may have a report on this matter from former Supervisor V. E. Vaughn.
- d. FY 94 Revenue Sharing Program Project - See enclosed announcement of funds available. Deadline for submitting a matching fund project application, not to exceed \$500,000, is April 30. No funds have been budgeted for such a project.

March 15, 1993

TO: Board of Supervisors
FROM: Joseph N. Morgan, County Administrator
SUBJECT: Reports from the County Administrator and Staff

- a. Appointments - See enclosed listing of appointments due.
- b. Proposal for County Entrance Sign Utilizing Courthouse Arches Theme - Stone mason Randall Jones is preparing a cost estimate. The arch would be wide enough to hang a four foot square sign underneath with a changeable message. Permanent inscription on the arches would be "Pulaski County Pride". The first location proposed is on Rt. 11, Lee Highway, entering the county from the City of Radford.
