

At a regular meeting of the Pulaski County Board of Supervisors held on Monday, August 28, 1995, at 7:00 p.m. at the Pulaski County Administration Building Board of Supervisors Meeting Room, 143 Third Street, N. W. in the Town of Pulaski, Virginia, the following members were present: Jerry D. White, Chairman; Joseph L. Sheffey, Vice-Chairman; Dr. Bruce L. Fariss; Ira S. "Pete" Crawford; and Mason A. Vaughan, Sr. Also present were County Attorney Thomas J. McCarthy, Jr.; Management Services Director Nancy M. Burchett; Executive Secretary Gena T. Hanks; and County Administrator Joseph N. Morgan.

1. Invocation

The invocation was given by Mr. Thomas J. McCarthy, Jr., County Attorney.

2. Additions to Agenda

Additional agenda items were discussed at the appropriate times on the agenda.

3. Highway Matters:

Mr. Dan Brugh, Virginia Department of Transportation (VDOT) Resident Engineer, appeared before the Board of Supervisors and introduced Mr. Jim Gibbons, State Secondary Road Engineer for VDOT. Mr. Gibbons spoke briefly to the Board regarding VDOT's current efforts to re-examine standards to possibly allow building more roads. Mr. Gibbons expressed appreciation to County Administrator Joseph Morgan for serving on the VDOT Subdivision Street Advisory Committee, and assistance given in revising the state subdivision street regulations.

a. Follow-up from Previous Board meetings:

1. Formal speed study on Route 610, Case Knife Road, for first mile beyond Pulaski Town limits

Mr. Brugh reported the speed study on Route 610 had not been completed. He advised the results should be ready by the next regular Board meeting. Chairman White requested staff contact the citizen who had been inquiring about the study and advise of the present status of the speed study. Mr. Brugh also advised he would send a letter regarding the results of the study.

would help in this area. However, he reported VDOT had installed additional signage in this area which he felt would reduce the speed problem.

3. Request for formal speed study on Route 643, Thornspring Road, at Cougar Express for possible lowering of speed limit to 45 mph

Mr. Brugh reported Route 643, Thornspring Road, would be posted shortly for 40 miles per hour.

4. Review of plans currently proposed for Route 738, Robinson Tract Road, to possibly alter plan to reduce cost of improvements on Route 738

Mr. Brugh reviewed with the Board of Supervisors alternative plans to reduce the costs of improving Route 738. Plans called for correcting curves, widening narrow portions, and paving of Route 738. He advised the alternative plan would be acceptable for the amount of traffic on Route 738.

Chairman White inquired about the status of Buford Hollow Road and Cox's Hollow Road. Staff reported Buford Hollow Road was number 16 on the six year plan and Cox Hollow Road is on the supplemental listing. Chairman White requested, if at all possible, the funds saved on Route 738 be applied to Buford Hollow Road and Cox's Hollow Road. The Board agreed to consider these two roads when updating the six year plan.

5. Review of possible straightening of curves on Route 693, Julia Simpkins Road, and cost of extending Route 781, Scott Road, to Route 693, up Mack's Mountain, rather than straightening Route 693

Mr. Brugh reported straightening of curves on Route 693 was the most economical option. He advised about \$300,000 would be saved if existing curves were straightened rather than a new location. The Board agreed to leave this on the supplemental listing.

6. Locust Street right-of-way

Mr. Morgan reported the right of way on Locust Street was not available by donation. The Board of Supervisors deferred this matter until executive session.

7. Route 629, Highland Road, restoration of Neck Creek Bridge to standard conditions or to seek an alternative placement of any new bridge construction

Mr. Brugh advised he was awaiting the review from the Historic Resources Commission. Staff advised Delegate Baker had asked Historic Resources for a favorable review to avoid negative impact on adjacent property.

Chairman White advised the six year plan hearing will be held at the September 25, 1995, regular meeting.

- c. Request for placement of Dallas Freeman Road, Route 778, on the rural addition listing

Staff reported there was some question regarding the correct ending of Route 778. VDOT was requested to confirm the correct ending of state maintenance for Route 778.

- d. Dublin Area railroad crossing closing

Mr. E. W. Harless and Mr. Harley Cox of Norfolk Southern Railroad addressed the Board of Supervisors regarding the closing of this crossing. Mr. Harless advised this crossing was the most dangerous in Pulaski County and there had been several incidents lately which had been near misses by the railroad. Further, the Board was advised that the railroad crossing would be closed on September 16, 1995. The Board expressed concerns regarding how residents would be able to get in and out without the crossing, length of time to provide new crossing, and would Norfolk Southern be willing to donate additional ten feet of property in order to provide the necessary forty foot right of way for a rural addition.

Mr. Harless reported the residents had agreed to accept a road parallel to railroad tracks. Mr. Cox indicated Norfolk Southern agreed to assist in the building of the alternative road.

On the motion of Mr. Crawford, seconded by Dr. Fariss and carried, the Board of Supervisors requested Norfolk Southern Railroad donate the necessary land for a rural addition road in this area to serve the citizens, and requested staff add this to the rural addition listing for viewing in the fall.

Voting yes: Dr. Fariss, Mr. Crawford, Mr. White, Mr. Vaughan,  
Mr. Sheffey.

Voting no: none.

The Board also invited Norfolk Southern to make a request at the six year plan hearing on September 25 to address crossing improvements on Route 617, Ruebush Road, and future closing of Route 633, Cemetery Road.

- e. Request for posting of speed limit of 25 miles per hour on Route 656, Channel Road

Mr. Brugh agreed to review this request once the present hardtopping of the road had been completed by VDOT.

- f. Request for renaming Route 656, Channel Road, to Old Hurst Road

A petition was presented from most of the residents of Route 656 requesting a name change.

On the motion of Mr. Sheffey, seconded by Dr. Fariss and carried, the Board of Supervisors approved renaming Route 656 to Old Hurst Road.

Voting yes: Dr. Fariss, Mr. Crawford, Mr. White, Mr. Vaughan,  
Mr. Sheffey.

Voting no: none.

- g. Request for reduction of speed limit on Brookmont Road from 55 mph to 35 mph

The Board requested staff get more information regarding the easement road section which this request concerns. Staff was also requested to ask individual making this request to obtain a petition from the majority of the residents along the road in support of the request.

- h. Town of Dublin Paving Request

The Board agreed to consider this request in September with the updating of the six year highway plan.

- i. Citizen Concerns Re: Tar and Gravel Placement on Route 649, Thaxton Road

This request was relayed to Mr. Brugh. The citizens are requesting asphalt rather than tar and gravel pavement. Mr. Brugh explained asphalt is four times more expensive.

- j. Request for speed limit reduction in advance of Hazel Hollow Road, Route 626, and Falling Branch Road, Route 798

This item is a duplicate of No. A.2 under highway matters.

- k. Request for Resurfacing of Route 663, Owens Road

This request was also referred to VDOT. The citizens also requested asphalt rather than tar and gravel. Mr. Brugh advised the cost of tar and gravel is one-fourth of the cost for asphalt.

- l. Request for Paving of Road between Lowes and UPS in Dublin

The Board added this request to the rural addition viewing listing.

- m. Other Matters - Volvo Expansion Road Improvements

Mr. Brugh reported a portion of the costs for road improvements on Route 681 could be funded through industrial access funds. The additional costs will need to be considered with the Six Year Plan. Mr. Brugh also reported he did not have an estimate of the costs on this project at this time; however, he would have these figures at the September road update hearing.

The Board expressed concerns about these costs possibly being funded with secondary improvement funds. Dr. Fariss requested staff provide him with a copy of the agreement with Volvo and the county regarding these improvements. Chairman White requested he be provided with a copy of the traffic counts on Route 681.

#### 4. Citizen Comments

Mr. E. W. Harless, Jr. addressed the Board of Supervisors again regarding the railroad crossing at Dublin. He invited the Board of Supervisors to look at this crossing. He also advised he would request Norfolk Southern Railway to donate the necessary land for a rural addition.

#### 5. Treasurer's Report

The Board of Supervisors reviewed the monthly trial balance report and Certificates of Deposit, as reported by Treasurer Rose Marie Tickle. The Board accepted the reports as presented.

6. Presentation of War Memorial Commemorative Print & Preview of July 4 Ceremony Video

Mr. Bill Manning of Post 1184, VFW, appeared before the Board of Supervisors and presented to Chairman White a Commemorative Print of the war memorial. Mr. Manning expressed appreciation to the Board of Supervisors, County Administrator Joseph Morgan, and staff for efforts in the completion of the war memorial. Mr. Manning also advised the prints of the War Memorial would be sold by the VFW for \$5.00 each with the proceeds from the sale of the prints to be used for the maintenance costs of the memorial and for the purchase of flags.

At this time, Mr. Jess Shelton played a ten minute video for the Board of Supervisors of the July 4 War Memorial Dedication. Mr. Shelton introduced his assistant Sherry Aust and expressed appreciation to the Board for allowing him to video this event for the county.

7. Emergency Medical Services Study

Mr. Stan Crigger, Emergency Services Coordinator, reviewed with the Board of Supervisors the recent Emergency Medical Services Study completed by Fitch and Associates. Mr. Crigger reported meetings had been held with both rescue squads regarding the report and its recommendations. Mr. Crigger requested the Board proceed with the recommendations of the report.

The Board asked several questions regarding ownership, identity, and hospital participation. Dr. Fariss requested the hospitals be requested to provide funding for paid personnel up front.

On the motion of Dr. Fariss, seconded by Mr. Vaughan and carried, the Board of Supervisors accepted the Emergency Medical Services Study prepared by Fitch.

Voting yes: Dr. Fariss, Mr. Crawford, Mr. White, Mr. Vaughan,  
Mr. Sheffey.

Voting no: none.

On the motion of Dr. Fariss, seconded by Mr. Sheffey and carried, the Board of Supervisors accepted the recommendations of the Emergency Medical Services Council Subcommittee on Rescue Planning dated August 16, 1995, and filed with the records of this meeting; authorized the nine member Transition Committee described in the report to seek funding from Pulaski Community Hospital and Radford Community Hospital in the startup and transition; and utilize the membership of the Transition Committee as the permanent board of the emergency medical services organization, if the transition is successful.

Voting yes: Dr. Fariss, Mr. Crawford, Mr. White, Mr. Vaughan,  
Mr. Sheffey.

Voting no: none.
