March 20, 2000

TO: Board of Supervisors

FROM: Joseph N. Morgan, County Administrator

SUBJECT: Highway Matters

a. Follow-up from Previous Board meeting:

The resident engineer may have information to share on the following matters from previous Board meetings, unless noted otherwise:

- Maintaining Access to Madison Avenue, Rt. 715

b. Request for Removal of "No Right Turn on Red" Sign at Intersection of Belspring Road and Rt. 114 - Mr. Rick Hermann of 6653 Highland Road, Radford, was referred to the Board by VDOT regarding the removal of the "no right turn on red" sign at the intersection of Belspring Road and Rt. 114.

c. Request for Addition to Six Year Plan – Boyd Hill Lane – Enclosed is a petition from residents of Boyd Hill Lane requesting the road be taken over by VDOT. It is recommended the request be added to the road viewing list. The road is in the Ingles District about one-half mile east of Lowman's Rerry Road.

e. Randolph Park Turn Lanes Recreational Access Funding – The resident engineer may advise if any turn lanes off Route 683, Alexander Road, needed for the Randolph Park, could be funded from recreational access funds or other sources.

f. Rt. 609, Boyd Road, Request for Paving of Over One-Half Mile – Mr. Charles Davis of 4735 Boyd Road, Draper, has requested VDOT pave the additional one-half mile. See enclosed petition. It is recommended this request be held for consideration at the six year plan hearing in the fall.

- f. Harry Dehaven Park Recreation Access Road By Vdot And Plat Vacation – Assistance is requested from VDOT to extend a new road off Route 757, Beach Drive, to allow state maintenance of the entrance road to the DeHaven Park boat ramp. A plat vacation may be needed to realign the existing public right of way. Authorization is requested for the county attorney to work with the resident engineer to accomplish the road extension, including scheduling a public hearing for any needed plat vacation.

- g. Edgewood Drive –This rural addition off Route 100, Cleburne Boulevard, near the fairgrounds, was approved in April 1999. Staff has determined some utility relocation may be needed by the Dublin water system. PSA staff is available to help. Authorization for any other expense of utility relocation at a cost not to exceed \$10,000 is recommended.

March 20, 2000

TO: Board of Supervisors

FROM: Joseph N. Morgan, County Administrator

SUBJECT: Reports from County Administrator and Staff

- a. Key Activity Timetable – *Enclosed* for the Board's review is an updated timetable
- b. Fairlawn Postal Facility – *Enclosed* is correspondence from Congressman Boucher in response to the Board's request for establishment of a postal facility in the Fairlawn community. Congressman Boucher is requesting a letter stating the reasons why a postal facility should be constructed. Previous discussion included service to a growing area of the county, more convenient public access, location on an important regional thoroughfare, and more accurate identification of the geographic area separate from the City of Radford.
- c. Appointments:
 1. New River Valley Development Corporation – Mr. Mark Buckland has accepted the Board's invitation to serve. One vacancy exists. We have not heard from Dan Grubb regarding the Board's invitation to serve.
 2. Virginia EcoChallenge Planning Committee- *Enclosed* is correspondence from the Department of Conservation and Recreation requesting the Board appoint a person(s) from Pulaski County to serve on each of the four following committees: Coordinating, Advertising, Events, and Logistics. The following individuals have been recommended to serve, with one appointed to each of the four committees: Anthony Akers, Tammy Boyers, John Myers, and Dave Hart.
 3. Clean Community Council – Appointment of Mr. Charles D. Stafford is recommended.
 4. Telecommunications Advisory Committee – Appointment of Mr. Ed Belcher is recommended.

5. New River Community Services Board - We anticipate a letter from the Community Services Board urging consideration of appointees that will be able to schedule attendance at board meetings.
6. PEP Additional Members – Additional PEP Steering Committee membership is suggested to include the planning and growth management perspective.

 4. School Fund Appropriations #14 - \$100,756 and #15 - \$10,509
- d. Ratification:
 1. Change Order – There are no change orders at this time.
 2. Agreements, Grants and Other – The following are submitted for ratification:
 - Re-employment of Sheriff's Deputy – As reported earlier, an overpayment error to a former deputy sheriff was be

- e. Personnel Changes – Enclosed is an updated list of recent personnel changes, as prepared by Management Services Director Nancy Burchett. In addition, promotion of Garage General Mechanic Wade Roope to the vacant heavy equipment mechanic position is recommended, accompanied by a ten percent increase in compensation.
- f. Housing Opportunities for Persons with Aids Program – Certification of Local Approval – Enclosed is correspondence from the New River Valley Aids Coalition which was provided at the February 28 Board meeting. Supervisors had requested staff obtain additional information regarding the affect this program would have on Pulaski County. Enclosed is a response from Social Services Director Jim Wallis. Approval by the Board is recommended.
- g. Scheduling of Public Hearing – Noise Control Ordinance – Authorization to schedule a public hearing to consider adoption of the enclosed ordinance is recommended.
- h. New River Community Center Building Request – A response from the New River Criminal Justice Academy is expected. Staff has requested the Academy management respond. It is expected that use of the interior spaces of the building by the community, while the building is still occupied by the Academy, will require improvements to insure security of the Academy equipment and classrooms. The Academy does have some long-term interest in relocating, possibly to the vicinity of the New River Regional Jail.
- i. Donation of School Bus to Sheriff's Department – Acceptance of a surplus bus is recommended to allow the Sheriff's Department a mobile operations station.
- j. Provision of Meals for NRCC Career Fair Exhibitors – Chairman Sheffey has recommended the county provide meals for the career fair exhibitors. The fair will be held on Friday, April 5 at NRCC. The meals will allow vendors to stay at their stations longer to see more adult and high school potential employees.
- k. Video Presentations Preview - It is recommended any video presentations be viewed by county staff prior to showing at Board of Supervisors meeting.
- l. Hay Proposals – A proposal was received from Mr. Mike Lewis to cut hay at the following three county properties: Mount Pleasant Subdivision, New River Industrial Park and the Pulaski County Corporate Center. He has proposed a cost of \$300 per location. As property is developed, the amount of the fee would decrease. It is recommended the Board accept the proposal.
- m. Assessment Program Upgrade - The new assessment program installed by the Commissioner of Revenue was budgeted for an upgrade that would help move toward more frequent assessments, as well as make the Geographic Information System more useable. Forty-two thousand dollars (\$42,000) is included in the capital improvements fund for the upgrade. Current software is over ten (10) years old and changes and

support of the software is no longer available. An additional \$35,000 is needed to make the program effective. These figures are maximum estimates and all money may not be expended. Authorization to implement the entire program as soon as possible, including any necessary additional expense is requested.

- n. Resolution to Approve Early Retirement Benefits (LEOS) to Members of the NRV Regional Jail Staff – Enclosed is correspondence from Regional Jail Superintendent Ralph Dobbins requesting the Board approve a resolution approving early retirement benefits to members of the New River Valley Regional Jail staff as provided by the Virginia Retirement System.

- o. Harry Dehaven Park Summer Preparations: Enclosed is a committee report from the Harry DeHaven Advisory Committee meeting on February 17. Authorization is requested to proceed with the following recommendations of the Park Advisory Committee:
 - 1. Beach Management – Continuation of management by the YMCA, as proposed in the enclosed, at a cost of \$9,000, but with no charge to the public. Waiving a beach use fee this summer is requested to improve attendance and determine if the beach program will be more widely used.

 - 2. Boat Lift And Concession Procurement – Receipt of small purchase proposals (anticipated to be under \$7,500) to provide concession management, including food, fuel and/or boat lifts.

 - 3. Recreation Access Road By VDOT and Plat Vacation - Assistance is requested from VDOT to extend a new road off Route 757, Beach Drive, to allow state maintenance of the entrance road to the DeHaven Park boat ramp. A plat vacation may be needed to realign the existing public right of way. Authorization is requested for the county attorney to work with the resident engineer to accomplish the road extension, including scheduling a public hearing for any needed plat vacation.
