

8. Click **Search** to display a list of results that meet the search criteria.
9. Click **Advanced** to hide the search criteria.
10. Click **Reset** to clear the entered search criteria.

If other Search options appear, such as Code Case, Request, or License, fill in the fields the same way to perform a search.

REGISTERING ON CSS

To register on CSS the user can click on the **Login or Register** box, and select Register. This will bring up a page that requires an email address. Once a valid email address is typed in the field and the **Next** button is clicked, a message will direct the user to check their email to complete their registration. Once that has been completed, they will be directed to a login page.

Electronic Signatures are available during the last step of the Registration process and/or during the Application process in CSS. The user may use their mouse to sign and , if needed, the process may be converted to an ADA option where the user may type their name.

SIGNATURE

Your signature below indicates that you have read the following agreement and agree to its terms.

The Board of Directors may direct a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issue of a new certificate or certificates, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates, or such owner's legal representative, to advertise the same in such manner as it shall require and/or to give the corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the corporation with respect to the certificate alleged to have been lost, stolen or destroyed.

* Please type your name as consent to electronically sign this application.
